Grand Lisboa Palace Macau Listed in Voyage Magazine's "Best Newly Opened Hotel"

Hotel tower Showcases Macau's Charm and Attraction

(Macau, 31 December 2021) The Grand Lisboa Palace Macau hotel tower of Grand Lisboa Palace Resort Macau ("Grand Lisboa Palace") has been listed in China Voyage Magazine's "Best Newly Opened Hotel 2021" high-end hotel selection. Opened in July, Grand Lisboa Palace Macau is the largest of the Resort's three hotel towers and manifests the harmonious interplay of oriental and western design in every aspect of its elegant and opulent hospitality, paying tribute to the profound history and culture of Macau. Inheriting the outstanding achievements of parent company SJM Resorts, S.A. ("SJM"), Grand Lisboa Palace has become a landmark attraction in this World Heritage City.

"As the Resort's flagship hotel tower, Grand Lisboa Palace Macau highlights the city's unique East-meets-West culture through its magnificent design and meticulous service. Being recognised in Voyage Magazine's 'Best Newly Opened Hotel 2021' high-end hotel selection is a testament to the indelible efforts exhibited by the Grand Lisboa Palace team. We are deeply honoured to receive this accolade and will continue adhering to the spirit of achieving excellence and creating experiences that are "Beyond Legendary" for our visitors," said Ms. Daisy Ho, Chairman of the Board of Directors of SJM.

Each of Grand Lisboa Palace Macau's 1,350 contemporary, Chinoiserie-inspired rooms and suites is exquisitely furnished and celebrates Macau's unique cultural identity and maritime history. The furniture selections reinterpret Macau's heritage patterns and motifs, complemented by bespoke art pieces depicting old and new Macau. All of the rooms and suites include exceptional in-room amenities and gorgeous views overlooking Cotai or the European-styled Jardim Secreto. Throughout the hotel tower are specially commissioned art works by young and established local artists; the largest collection of local art works in any hotel or integrated resort in Macau, which offers visitors a taste of the city's vibrant art scene. In addition, the Resort offers the finest and most diverse cuisines; a 75,000-square-metre retail mall The Bazar designed with a "Fantasy Garden" theme; versatile meetings and event venues including The Grand Pavilion; and exclusive wellness facilities through each hotel tower.

Well-known and tailor-made for luxurious travel, China Voyage Magazine's "Best Newly Opened Hotel" selection has been held every year since 2009 to determine China's most excellent hotels. Under the theme of "Diversified Experiences; Rediscovering China", this year's selection was conducted by a panel of judges, senior editors, industry experts and hospitality evaluators who voted for the best hotels in addition to the fan favourite selection to come up with the 2021 list.
