(Macau, 26 February 2024) In an effort to support Macau SAR Government's directions of showcasing the diverse charm of varied attractions in Macau, SJM Resorts, S.A. ("SJM") has teamed up with Shun Tak - China Travel to launch the "SJM x Macau Cruise." This new service connects the Macau Peninsula with Coloane, complemented by a free shuttle bus service. It offers a unique "Sea + Land" touring experience that allows guests to enjoy Macau's coastal scenery and the historical charm of A-Ma Temple and Coloane's old town, contributing to Macau's reputation as a "World Centre of Tourism and Leisure."

The "SJM x Macau Cruise" will be launched on 2 March, with scheduled sailings every Saturday, connecting Barra Pier and Coloane Pier. The journey takes about 25 minutes and offers beautiful harbour views enroute. SJM also offers complimentary shuttle bus service, taking guests to Barra Pier, Macau Tower, and various selected hotels.

SJM has previously offered cruise packages during the "Macao International Fireworks Display Contest" and the "Chinese New Year Firework Display." SJM continues to curate different experiences during festivities and sports events. Guests will be able to enjoy Macau as a destination from a seaborne perspective, complemented by engaging onboard games and light gourmets. SJM also collaborates regularly with charity organisations to offer their members with this enjoyable sailing experience.
