**“SJM Chefs’ Table: A Symphony of Senses”  
Returns with Italian x German Culinary Artistry presented by  
Don Alfonso 1890 and Sühring**

(Macau, 22 June 2024) SJM Resorts, S.A. dazzled the culinary world with another rendition of “SJM Chefs’ Table: A Symphony of Senses” on 21 and 22 June 2024, at the Grand Lisboa Palace Resort Macau. This gastronomic gala featured a unique collaboration between Don Alfonso 1890, a beacon of authentic Italian cuisine, and the modern German culinary masters from the two-MICHELLIN-Starred Sühring in Bangkok. Chefs Mathias and Thomas Sühring joined forces with Don Alfonso 1890’s Head Chef, Federico Pucci, to present a blend of classic Italian and inventive German delicacies.

Don Alfonso 1890, maintaining the traditions of its MICHELIN-Starred Italian counterpart, continues to honour a century of culinary artistry. Sühring, earning accolades including two MICHELIN Stars and a spot among Asia’s 50 Best Restaurants, has risen as a standout for modern German cuisine in Thailand. The gastronomic cultures of Italy and Germany, steeped in history and geographical proximity, showcase unique culinary techniques and ingredient pairings, offering diners a masterpiece of flavors.

Chefs Federico Pucci and the Sühring brothers personally oversaw four sessions of “six-course lunches” and “eight-course dinners.” The menu, a showcase of their limitless creativity and exceptional skill, featured exquisite ingredients like topquality Piemontese veal, renowned Sicilian red prawns, Kristal caviar, and delicate sea urchin. A highlight of the collaboration was the “Oberto Fassona Beef ‘Rossini’ style with Black Truffles,” a dish that perfectly melds the culinary heritages of Italy and Germany, transporting diners across borders for a novel taste adventure.

SJM is committed to supporting the Macao SAR Government’s initiative in promotion of “Gastronomy + Tourism.” Since 2023, the “SJM Chefs’ Table” series has invited renowned guest chefs from around the world to collaborate with SJM’s chefs, creating uniquely crafted dishes lauded by locals and tourists alike, further cementing Macau’s status as a UNESCO “Creative City of Gastronomy.”
