(Macau, 14 May 2026) Recognised by generations of discerning readers as a leading voice in luxury lifestyle, Tatler released its “Tatler Best Hong Kong and Macau 2026” yesterday. SJM Resorts, S.A. (“SJM”) is proud to receive eight honours across hotels, restaurants, bar and spa, underscoring the group’s multi-layered hospitality ecosystem and its continued contribution to Macau’s tourism landscape.

Grand Lisboa Palace Resort Macau (“Grand Lisboa Palace”) achieved remarkable success this year. Grand Lisboa Palace Macau was named among the “Tatler Best 10 Hotels” and received the “Best Hotel Spa” award, further affirming its position as one of Macau’s leading hotel destinations. Five SJM restaurants were included among Macau’s “Tatler Best 20 Restaurants”, namely Robuchon au Dôme and The Eight, both long recognised as flagships of Macau’s fine dining scene at Grand Lisboa Macau (“Grand Lisboa”), Don Alfonso 1890 and Mesa by José Avillez at Grand Lisboa Palace, and Palace Garden, a refined expression of Cantonese Taishi cuisine which makes its debut on the list this year. MESA Bar was also named among the “Tatler Best 20 Bars” for the second consecutive year, reinforcing SJM’s efforts in nurturing Macau’s cocktail culture.

Ms. Daisy Ho, Managing Director of SJM, remarked: “As a regional tastemaker, Tatler’s recognition reflects the calibre and breadth of SJM’s luxury hospitality and dining portfolio. It is most encouraging to see both our long-standing names and newer concepts gain recognition. SJM will continue to renew its offerings by building platforms that bring talent, ideas and industry expertise to Macau, adding further depth to the city’s luxury hospitality landscape.”

In addition, several SJM hotels and restaurants were featured in the “Tatler Best Spotlight 2026” list, including THE KARL LAGERFELD MACAU, Palazzo Versace Macau, Zuicho, and Casa Don Alfonso. Together with the Group’s eight main honours, these inclusions underline the Group’s contribution to promoting Macau as a “World Centre of Tourism and Leisure” and UNESCO “Creative City of Gastronomy”, while strengthening the city’s profile as a beacon of culinary distinction and luxury hospitality.
