

SJM Partners with Maserati to Present "Maserati GranCabrio & Grecale Italian Pure Electric Showcase" at Grand Lisboa Palace

- ***Double Debut: The GranCabrio Folgore All-Electric Convertible and Grecale Folgore All-Electric SUV Take Center Stage***

[HONG KONG & MACAU, July 3, 2026] SJM Resorts, S.A. ("SJM"), a leading integrated tourism and leisure enterprise renowned for curating diversified high-end lifestyle experiences, is joining forces with the legendary Italian luxury automotive brand Maserati for a landmark partnership. From now until October 11, 2026, the two prestigious brands are presenting the **"Maserati GranCabrio & Grecale Italian Pure Electric Showcase"** at the West Lobby of Grand Lisboa Palace Resort Macau.

Celebrated for its visionary approach to luxury experiences and exceptional curatorial expertise, SJM has created a distinctive stage for this collaboration at Grand Lisboa Palace — reflecting its passion for heritage, innovation, and refined living. Since launching the "Folgore" (Italian for lightning) all-electric series, Maserati has seamlessly fused its century-long racing DNA with the future of sustainable luxury. This powerful collaboration between two icons of luxury lifestyle brings together two 100% electric masterpieces on one stage in Macau: the **GranCabrio Folgore** luxury all-electric convertible and the **Grecale Folgore** luxury all-electric SUV. Together, they create an exclusive experiential space that beautifully intertwines Italian aesthetics with contemporary design for guests and automotive enthusiasts alike.

Exhibited Model Highlights

GranCabrio Folgore: The Fastest All-Electric Luxury Four-Seater Convertible

The GranCabrio Folgore seamlessly blends unparalleled open-air driving thrills with a sophisticated leisure lifestyle, elegantly embodying the carefree attitude and effortless style of Italian open-top motoring.

- **The Pinnacle of Electric Performance:** Utilizing a tri-motor setup developed in tandem with the Formula E racing division, it delivers a breathtaking 761 hp, achieving a 0–100 km/h sprint in an astonishing 2.8 seconds.
- **Specially Developed T-Shape Battery Layout:** The battery is integrated into the central tunnel and rear axle area in a T-shape configuration. This maintains a long

bonnet, a low center of gravity, and a near 50:50 weight distribution, preserving ample space for four practical seats and elegant convertible rooflines.

- **800V High-Voltage Battery & Rapid Charging:** Equipped with an 800V high-voltage lithium battery system with a nominal capacity of approximately 92.5 kWh (usable approx. 83 kWh), it supports DC fast charging up to 270 kW, adding up to 100 km of range in just 5 minutes.
- **Convertible Convenience & Practicality:** The soft-top volume is precisely designed to retain luggage compartment space that accommodates luggage for four people. The roof can be operated while driving at speeds up to 50 km/h, opening in approximately 14 seconds with a simple touch on the central screen.
- **Ultimate Sensory Indulgence:** The cabin features the MIA (Maserati Intelligent Assistant) multimedia system with Apple CarPlay connectivity and refined ambient lighting. It is paired with the world-renowned Sonus faber premium audio system, creating a flawless symphony of traditional leather craftsmanship and superior acoustic pleasure.

Grecale Folgore: The All-Electric Luxury SUV, An Everyday Work of Art

The Grecale Folgore perfectly balances everyday practicality with dynamic performance, infusing a fresh Italian aesthetic for owners seeking pure electric luxury in their daily routines.

- **Exceptional Range & Intelligent Handling:** Equipped with a 105 kWh large-capacity battery, it supports DC fast charging up to 150 kW, replenishing the battery from 20% to 80% in just 29 minutes. Featuring an intelligent all-wheel-drive system and proprietary safety designs including Autonomous Emergency Braking (AEB), it ensures a secure and composed journey every time.
- **Minimalist Digital Cockpit:** Adhering to clean, modern aesthetics, the cabin elegantly replaces cluttered physical buttons with an intuitive digital center console and electronic screens, projecting contemporary technology while retaining Maserati's iconic heritage design elements.
- **Prestige Cabin Experience:** Offering some of the most generous and comfortable cabin space in its class, the interior is extensively swathed in handcrafted premium Italian leather. Paired with highly adjustable, supportive luxury seating, every daily commute is transformed into an indulgent experience.
- **Ultimate Sensory Indulgence:** The vehicle is equipped with the MIA multimedia system (supporting Apple CarPlay) and customizable ambient lighting. It also incorporates the globally acclaimed Sonus faber premium audio system, seamlessly merging exquisite leather craftsmanship with an elite acoustic experience.
