Jai Alai Hotel opens A new icon at the Outer Harbour District

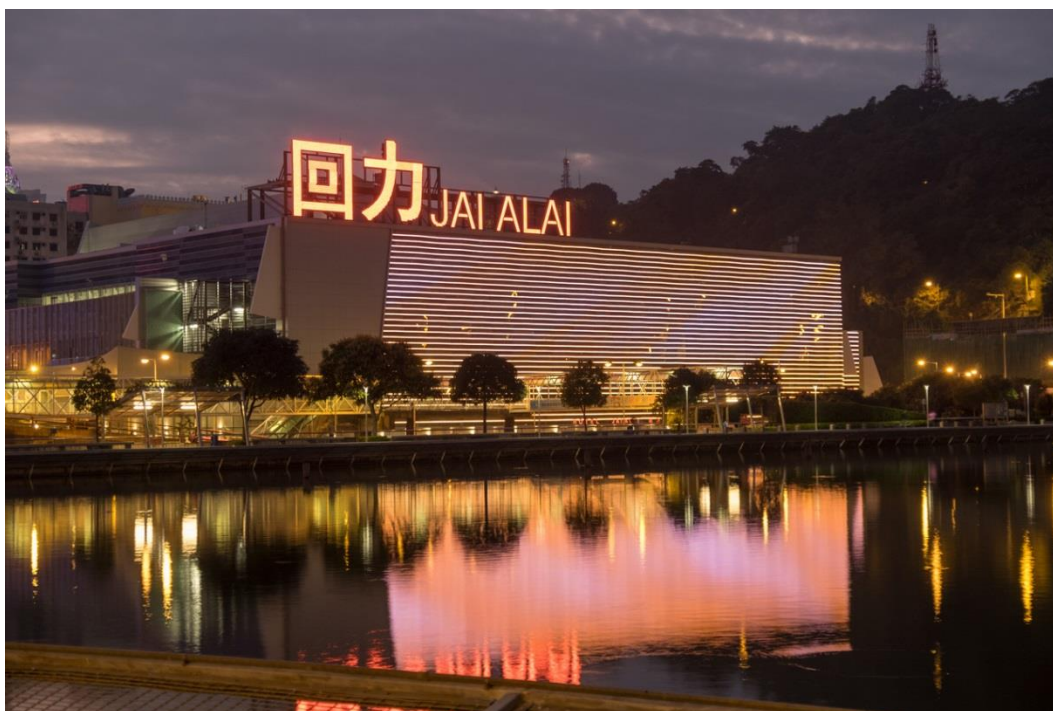

Sociedade de Jogos de Macau, S.A. (“SJM”) has transformed the once glorious historical Palácio de Pelota Basca (Jai Alai) site into an entertainment and leisure complex comprising hotel, casino, food and beverage outlets, the JA Avenue, as well as spaces for art and creative exhibitions.

The Jai Alai Hotel has started operation from 15 November 2017. Located in a prime location in the Outer Harbour district with direct connection to the Macau Ferry Terminal, the hotel is only within a few minutes’ walk to the pier.

Customer-centric, the Jai Alai Hotel is crafted with touches of elegance and simplicity in a beautiful setting overlooking the reservoir. Its food and beverage outlets serve irresistible Chinese and Western cuisines. Under the same roof there is the 30,000-square-foot JA Avenue, the latest cosmetic and beauty landmark in Macau.

The hotel provides complimentary shuttle bus service to the city centre, connecting its guests with Macau’s UNESCO heritage sites with just a 10-minute bus journey.

Jai Alai Hotel cordially invites everyone to come and enjoy its premium services and extraordinary offerings.
