SJM fully supports the gaming law amendment bill

(Macau, 15 January 2022) SJM Resorts, S.A. (“SJM”) welcomes and fully supports the proposed amendments to the gaming law (Law 16/2001) announced by the Macau SAR Government on 14 January. The gaming bill, which was sent to the Legislative Assembly for debate and voting, reflects the Government has taken into account the views collected from the industry and various sectors during the public consultation. The bill has improved the relevant contents of the existing gaming law with details on the proposed amendments and clear guidelines for the benefit of a sustainable and healthy development of Macau’s gaming industry.

SJM is getting prepared for the new tendering while awaiting the announcement of more details from the Government. As always, SJM fully supports and coordinates with the Government in safeguarding the security of the Nation and Macau SAR, and in promoting the prosperity and stability of the city, further advancing the cause of “One Country, Two Systems” in Macau.
