SJM Honoured with Three MICHELIN Two Keys for Hotels the Most in Macau's Debut Selection

(Macau, 9 October 2025) SJM Resorts, S.A. ("SJM") is proud to announce that three of its flagship hotels, Grand Lisboa Palace Macau, Palazzo Versace Macau and THE KARL LAGERFELD MACAU, have been awarded the coveted MICHELIN Two Keys, as the MICHELIN Guide debuts its very first Key distinction list in Hong Kong and Macau yesterday.

The MICHELIN Key is a new accolade introduced in 2024 to evaluate the world's most outstanding hotels, akin to MICHELIN Stars for restaurants, and is presented for the first time in Macau this year. In this inaugural selection, nine hotels in Macau were recognised with at least one Key, and four attained the Two-Key honour. Among them are three SJM properties, reflecting the Group's ongoing contribution to Macau's world-class hospitality landscape.

Ms. Daisy Ho, Managing Director of SJM, remarked, "We are most delighted to witness the arrival of the MICHELIN Key in Macau and lead the honours in this inaugural selection. This milestone enables us to build upon our longstanding legacy in MICHELIN dining, which has contributed to bringing global visibility and traveller confidence to our destination. The recognition across both our restaurants and hotels reinforces SJM's commitment to crafting experiences that seamlessly unite luxury, culture and gastronomy. I also extend my warmest congratulations to all fellow awardees, whose collective achievements continue to enhance Macau's reputation as a 'World Centre of Tourism and Leisure.'"

The MICHELIN Key complements SJM's dining portfolio, which currently holds six MICHELIN stars across three acclaimed restaurants, underscoring the Group's enduring pursuit of excellence. Each of the award-winning properties embodies this distinction in its own unique way:

Grand Lisboa Palace Macau MICHELIN Two Keys

The hotel presents a symphony of East-meets-West design inspirations, with interiors celebrating both Chinese and European artistry. Its diverse accommodations, exceptional dining venues and cultural showcases make it a landmark of contemporary Macau.

Palazzo Versace Macau MICHELIN Two Keys

The property is the first Versace-branded hotel in Asia. Every detail, from custom furnishings to bold mosaics, reflects the maison's glamour and distinctive Italian craftsmanship, offering guests an immersive fashion-forward luxury experience.

THE KARL LAGERFELD MACAU MICHELIN Two Keys

It stands as the world's only hotel fully designed by the late legendary fashion icon, Karl Lagerfeld. Its unique fusion of modern aesthetics and timeless elegance transforms every suite into a work of art, epitomising individuality and creativity.

For more than a century, the MICHELIN Guide has been the global standard of excellence in hospitality, with its inspectors conducting anonymous visits and rigorous evaluations. The introduction of the MICHELIN Key brings this same legacy of trust and discernment to the hotel sector, recognising properties that offer a truly extraordinary stay. To be included among this inaugural selection in Macau is both an honour and a responsibility, underscoring SJM's unwavering commitment to excellence in hospitality.
